# The Humane Society of Tulsa needs your help

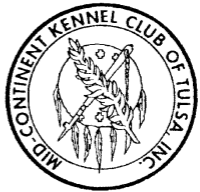

As a non-profit organization, the Humane Society of Tulsa (HST) relies solely on donations from individuals and businesses to continue promoting responsible pet ownership.

However, in recent months HST has experienced a dramatic drop in public support – with adoptions down by 50 percent and donations down by 65 percent. We need your help now more than ever before!

Please donate and ask your friends to donate to our Paws in the Park event. Together, we'll continue to give Tulsa's homeless dogs and cats a second chance at life and work to find them the forever homes that they deserve.
